

Any student (6th-12th grades) planning to participate in a sport during the 2020-2021 school year – **including summer practices** – must complete the following:

1. **Register on FinalForms.** [Click here](#) then click on Final Forms tab.
2. **Sign up for the sport on FinalForms.** Select all sports your child might want to participate in during the upcoming school year.
3. **Have a current sports physical on file in the Athletic Office.**

For detailed information on printing the form and where you can get a physical [click here](#) to access the Athletic Handbook, then scroll to page 4.

No student will be permitted to practice in the summer if the above 3 things have not been completed.

We are continually monitoring the situation as directed by the governor and OHSAA and will keep the calendar updated as best we can. To access the athletic calendar, click on the following link:
